[10/30/2015 12:10 PM] Marianne Geiger:  
Hi, whats going on with the Anda/Publix oxy order?  
[10/30/2015 12:11 PM] Joseph Tomkiewicz:  
Waiting on Michelle, Jen & Christine.  
[10/30/2015 12:12 PM] Marianne Geiger:  
Did you get info from Publix?  
[10/30/2015 12:12 PM] Joseph Tomkiewicz:  
Oh yeah.  
[10/30/2015 12:12 PM] Marianne Geiger:  
and its still not enough?  
[10/30/2015 12:12 PM] Joseph Tomkiewicz:  
There were some, uh, issues. Michelle has details.  
[10/30/2015 12:12 PM] Marianne Geiger:  
OK  
[10/30/2015 12:13 PM] Marianne Geiger:  
Can you give me the Anda portion and I will split the lines, so you can release?  
[10/30/2015 12:14 PM] Joseph Tomkiewicz:  
It's possible we may be able to release the whole thing shortly, depending on Publix.  
[10/30/2015 12:14 PM] Joseph Tomkiewicz:  
Which would be much cleaner.  
[10/30/2015 12:14 PM] Marianne Geiger:  
yes, but Anda should get their piece now and not have to wait.  
[10/30/2015 12:15 PM] Joseph Tomkiewicz:  
So if we split, would that entail cancelling the orders currently in the system (after releasing our hold), then re-entering?  
[10/30/2015 12:16 PM] Joseph Tomkiewicz:  
And can we get an acknowledgement from Anda that the product isn't going to Publix until we give the ok?  
[10/30/2015 12:17 PM] Marianne Geiger:  
no, I can split the lines to what ever you tell me the Anda portion is, after I split you would remove just the hold on that portion of the line  
and the remainder of the split would stay on hold.  
[10/30/2015 12:18 PM] Joseph Tomkiewicz:  
Ahh-- I think I get it-- one line becomes two lines, right?  
[10/30/2015 12:18 PM] Marianne Geiger:  
Yes, you got it  
[10/30/2015 12:19 PM] Joseph Tomkiewicz:  
(took a bit to get the squirrel cage runnin')  
[10/30/2015 12:19 PM] Joseph Tomkiewicz:  
(or is that waking up the bats in my belfry?)  
[10/30/2015 12:20 PM] Marianne Geiger:  
hehe  
[10/30/2015 12:20 PM] Joseph Tomkiewicz:  
As long as Anda agrees that any of the product won't go to Publix until we give the ok, I'm good. I'll send over numbers now.  
[10/30/2015 12:21 PM] Marianne Geiger:  
I don't see why we needs Anda  
[10/30/2015 12:21 PM] Marianne Geiger:  
Anda OK, it will be a very small portion for their business  
[10/30/2015 12:22 PM] Joseph Tomkiewicz:  
We can't have any of the product going to Publix until we ok it-- the data was that bad. If Anda can't agree to that, we can't split.  
[10/30/2015 12:22 PM] Marianne Geiger:  
OK, can you give me the splits and we will confirm with Anda  
[10/30/2015 12:22 PM] Marianne Geiger:  
that is is just for their business  
[10/30/2015 12:22 PM] Joseph Tomkiewicz:  
Ok, coming over in a few minutes.  
[10/30/2015 12:22 PM] Marianne Geiger:  
k
